"I felt like I was an amusement park, riding a world-class roller coaster. Jan's testimony takes you slowly uphill with real-life drama twists and turns that cause you to grip your white-knuckled fists to the handle Kay spins you around, causing you to laugh so hard you grip your sides. Then together they'll have you lifting your hands up in the air, rejoicing and singing praises. I highly recommend Jan and Kay."

### JAN COATES

Speaker/Author/Encourager: Jan Coates is the real deal. She's vulnerable, down-to-earth, and laugh-out-loud funny. When she doesn't have a mic in her hand, she's praying and ministering to others.

Her testimony alone is enough to take your breath away—childhood abuse, a parent with mental illness, losing her only biological child to a drunk driver, divorce, depression, cancer. After all that, you'd think she would have NOTHING to give... NO HOPE to

share, but Jan is just the opposite. Her refreshing ministry has changed thousands of lives. Through the power of Jesus Christ, she ministers to people these principles:

- Accept God's grace and love—regardless of the past.
- Create a positive attitude to see good in all things.
- Transform: Become what God designed you to be.
- Love what you do!

Laughter, TRUTH, transformation, spiritual growth—all interwoven into each presentation.

### KAY DEKALB SMITH

Singer/Humorist, Kay DeKalb Smith brings energetic music, jaw-dropping humor, audience involvement, and stories that enlighten and encourage. With personal warmth and sincerity, she teaches the "Red Sea Rules"—how to survive the most difficult circumstances combined with personal application to trust God in all Things. Always genuine, always real... Kay will minister to your audience, from their funny bones to the depths of their hearts.
